

**PLEASE, SCROLL DOWN FOR LIST OF  
SUCCESSFUL SCHOLARSHIP APPLICANTS.**

## **REPORT OF THE SCHOLARSHIPS SCREENING COMMITTEE FOR THE 2019/2020 ACADEMIC YEAR**

### **CITATION:**

Report of the CICOSEMA Scholarships Screening Committee for the 2019/2020 academic year, covering Primary, Secondary, Tertiary and Vocational Skills Acquisition Training Programmes.

### **PREAMBLE:**

The Committee was saddled with the responsibility to receive, review, process, conduct examinations and evaluate all applications received in respect of the Institute's adverts for scholarship offers from June to August, 2019.

The Committee extensively deliberated on outcomes of the performances of applicants and made recommendations to the Board of Trustees, through the Office of the President of the Governing Council, submitted at the given deadline of 1<sup>st</sup> September, 2019.

### **The Committee was constituted and comprised of:**

Prof. Kehinde O. Olusegun, FCS

Dr. Chijioke Nwachukwu, FCS

Dr. (Mrs.) Victoria Adebukunola Samuel, FCS

Dr. Kolawole Omole, FCS

Engr. Quadri Moruff, FCS

Mr. Choice Oluwafolahan Honour, FCS

Mr. Sunday Adeyemi, ACS

## **COMMITTEE OBSERVATIONS:**

1. The general performance was abysmally low, with less than an overall pass rate of 10%.
2. Many applications were not properly justified, as required from applicants. Emotions were largely expressed, through appeals to pity! This is not scholarly!
3. Simple instructions were flouted by applicants on the dates and time to write their tests.
4. Some applicants opted to write lower level examinations, in the hope that they will not be discovered, in the desperate attempt to obtain higher scores.
5. Over 2,000 applicants missed the examinations, with excuses ranging from bad networks, bad tools to write the exams, outright forgetfulness and not seeing the exam notification on time, to seeing the notifications only after the scheduled dates.
6. A few others attempted to write the exams, multiple times, in an attempt to gain undue advantages, by using different email addresses, despite already being allowed to take the exams in three attempts.
7. Some candidates also attempted to see if they could be “assisted” with possible leakages by over-reaching themselves. They were all disqualified.
8. Applications were received from both within and outside Nigeria, both from Nigerians and non-Nigerians.
9. The exercise experienced hitches, at the initial stage, but all challenges were later resolved.

## **COMMITTEE COMMENTS & RECOMMENDATIONS:**

1. Scholarships are given to exceptionally brilliant students; hence compromise of standard, for whatsoever reason, is not an option for consideration. Therefore, it should be given to only those who have merited and deserve it.
2. For CICOSEMA to stand out and become the pride of our nation, our decisions must be backed with firmness for quality standards, regardless of the pervasive decadence. This is necessary for maintaining the good reputation being built for the Institute. The scholarship programme should be a brand statement for very high quality and standard definition.
3. Despite the abysmally low performance, the CICOSEMA Scholarship Programme, for the 2019/2020 academic session, should not be cancelled. It is a programme that has made CICOSEMA prominent, to a large extent, especially in its Corporate Social Responsibility (CSR) objectives.
4. The very successful ones are recommended to join the Institute. If the Institute is investing in education, it should be in its members who will be flying the CICOSEMA flag, across the globe.
5. The scholarship award ceremony should be an important part of the Institute’s induction fixed for **24<sup>th</sup> October, 2019** and should be given the adequate and necessary media coverage.
6. Successful candidates should be issued Certificates of Merit, showing amount received, for public record.
7. Cash awards and/or FREE Professional Diploma Courses, covering future personal development areas of the applicants, should be given to the various categories of candidates, based on their performances.
8. Scholarship Preparatory Classes should be commenced to prepare applicants for the 2020/2021 academic year, for better results.

## **BOARD RESOLUTIONS:**

1. Certificates of Merit be issued to all listed awardees, as recommended by the Scholarships Screening Committee.
2. Cash awards be made to approved list of applicants, as recommended by the Scholarships Screening Committee.
3. Free Professional Diploma Courses (valued at N120,000 per awardee) be made to approved list of applicants, not exceeding 250 applicants, at a total value of Thirty Million Naira Only (N30,000,000).
4. Scholarship Award Letters be issued to awardees, without delay, and accepted within 14 days of issue. Upon exhaustion of the N30 million approved above, all other subsisting scholarship award offer letters not accepted at that point shall be cancelled, immediately.
5. Terms and conditions attached to the awards must be complied with by awardees, precedent to disbursements. Disbursements shall be made to all beneficiaries, who shall be matriculated into the Professional Diploma programmes at the forthcoming induction of the Institute already fixed for **24<sup>th</sup> October, 2019**.
6. Awards for Primary and Secondary education programmes be cancelled for 2019/2020 academic year.
7. Scholarship Preparatory Classes should be commenced immediately to adequately prepare applicants for the 2020/2021 academic year. The current applications shall form the template and case study for the training, to show the deficiencies and why many failed to be prequalified for the cash awards. The training should extend beyond the CICOSEMA Scholarships, but cover other scholarship offers across the world to create and broaden access to more Nigerians. It is hoped that this will revive the comatose education system, needed for societal emancipation.
8. For the 2019/2020 academic year, no scholarships shall be approved for persons outside Nigeria.
9. All shortlisted candidates be offered **free membership of the Institute**, under the **2019 Accelerated and Direct Membership Programme**, to further benefit from other welfare programmes available to existing members. They should proceed immediately into the prerequisite procedures for free membership conferment, using this link: <https://cicosemainstitute.org/portal/ep.php>.
10. For the issuance of the Scholarship Award Offer letters, under the approved terms and conditions, awardees listed here should send an email to: [cicosemascholarships@gmail.com](mailto:cicosemascholarships@gmail.com), with the following information details:
